DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on June 5, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the claims do not comply with 37 CFR 1.121, and therefore, the claims cannot be entered. 37 CFR 1.121 requires a listing of all claims that are, or were, in the application as follows:

all claims listed in ascending numerical order

the text of all claims under examination; no text for canceled or withdrawn claims

a status identifier for each claim in parentheses after claim number, (for example, "original" or "currently amended"

all "currently amended" claims should have markings (strikethrough and underlining suggested)

grouping of consecutive canceled or withdrawn claims permitted.

Applicant does not need to submit new arguments. The arguments appear to be persuasive, but the claims cannot be allowed in the current form because the amendment which has been filed does not conform to 37 CFR 1.121. A proper amendment to the claims, following the guidance above, should place the application in condition for allowance. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
